Think Opportunities

As you await your GCE N-Level results, there are some possibilities:

- You are happy that your results meet your expectations,
- You are overjoyed that your results exceed your expectations, or
- You are worried/upset because your results fall short of your expectations.

Many pathways and opportunities!

Remember that everyone's learning journey is different but we can each have a fulfilling outcome!

No matter the circumstances, there is always a way forward.

Stop

- Stop any unhelpful thoughts or actions that would make you more upset.
- Inhale deeply and exhale slowly using 10 counts as you relax your muscles. Acknowledge your emotions.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is just one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision based on your options and take action.

When you receive your results, you may feel overwhelmed by emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for help is a sign of strength, not weakness.

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.

* Leaders who dare

Having difficult emotions during a stressful and uncertain period is normal.

Keep a lookout for some of these signs in your peers or yourself.

- Deliberately avoiding others
- Increased irritability, restlessness, agitation, stress and anxiety
 - Sending or posting moody messages on social media
- Talking about death or dying
- Reacting differently or gradually losing interest in things they used to like
- E Eating more than usual or having a much reduced appetite
 - Sleep pattern changes with difficulty falling asleep or oversleeping
 - Slowing down of energy levels

If you notice any of these signs in yourself or your friends,

have a chat with your school counsellor or teacher
Or contact SOS 24-hour hotline at **1800-221-4444**

Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

Keep a lookout for your friends in distress. You can support them in the following ways:

Calm them down

"Are you ok? Calm down, take a few deep breaths."

Hear them out

Tel: 6257 6781 Fax: 6257 3634

"I am here to listen to you." or "I am here for you."

Empathise with them

"It sounds like you are disappointed." or "It seems like this is a difficult time for you."

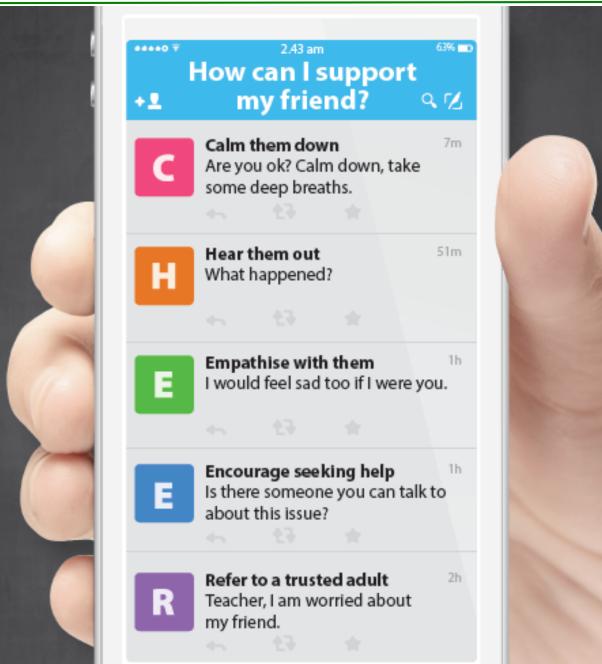

Encourage seeking help

"Thanks for sharing. Why don't we speak with a trusted adult who can help?"

Refer your friend to a trusted adult

"Let's talk to our teacher or our School Counsellor so they can better support you. Do share your feelings with your parents/guardians too. Would you like me to accompany you?"

Pathways available for Sec 4 N(A) students

Sec 4N(A) to PFP

- PFP aims to prepare well-performing Sec 4 N(A) students for progression into selected polytechnic diploma courses.
- As an alternative to Sec 5, the PFP is a diploma-specific foundation programme conducted over two academic semesters at the polytechnics.

Tel: 6257 6781 Fax: 6257 3634

Eligibility does not guarantee placement in a PFP course

Students eligible for PFP

- Upon release of O Level Results, you will receive form P which allows you to apply for PFP
- 2. If interested, you can apply for both PFP and DPP.
- 3. If you are interested **only in PFP**, you should progress to 5N(A) first.
- 4. If you are offered a PFP place, you may withdraw from the DPP/5N(A).

Applying for both PFP and DPP

Option 1

Apply for DPP based on N(A)-Level results in December 2021

If you accept the DPP offer, you will start the **10-week DPP preparatory programme** at ITE in January 2022.

Upon the release of the GCE O-Level results in January, if you are informed to collect the PFP eligibility form (Form P) to apply for the PFP and you accept the PFP offer, you will need to apply for withdrawal from the DPP immediately.

Applying for both PFP and DPP

Option 1

Apply for DPP based on N(A)-Level results in December 2021

If you accept the DPP offer, you will start the **10-week DPP preparatory programme** at ITE in January 2022.

Option 2

First progress to Sec 5N(A) and then **apply for both the PFP and DPP** upon release of the GCE O-Level examination results in January 2022

Students who are offered a place in both the PFP and DPP may only accept one course offer.

If your application to either the PFP or DPP is successful, you will withdraw from Sec 5N(A) by the end of January 2022.

 Those who have accepted DPP, should <u>not</u> enrol for Sec 5N(A).

Tel: 6257 6781 Fax: 6257 3634

2. Report to school only if application is unsuccessful.

Special Consideration for N(A) Students who sat for GCE O-Level Examination

 You may use school-based O-Level prelim exam results to compute eligibility for DPP, promotion to Sec 5N(A) or retention in Sec 4N(A).

 Students with GCE N(A)- and GCE O-Level Exam results of same subjects are allowed to use the better of the two grades to compute

your EMB3.

O Level Prelim Grade	N(A) Level Grade
A1 – B3	1
B4 – C6	2
D7 – E8	3
F9	4

Students applying for ITE courses

- There is keen competition for places in ITE Nitec.
 Not participating in the Main Application Phase reduces a student's likelihood of gaining a place in an ITE course they may be interested in.
- N(A) students are on 'an equal footing' with N(T) students in ITE's admission process.
- Students need to exercise the full 12 choices and include less popular options to maximise their chances of a successful posting.

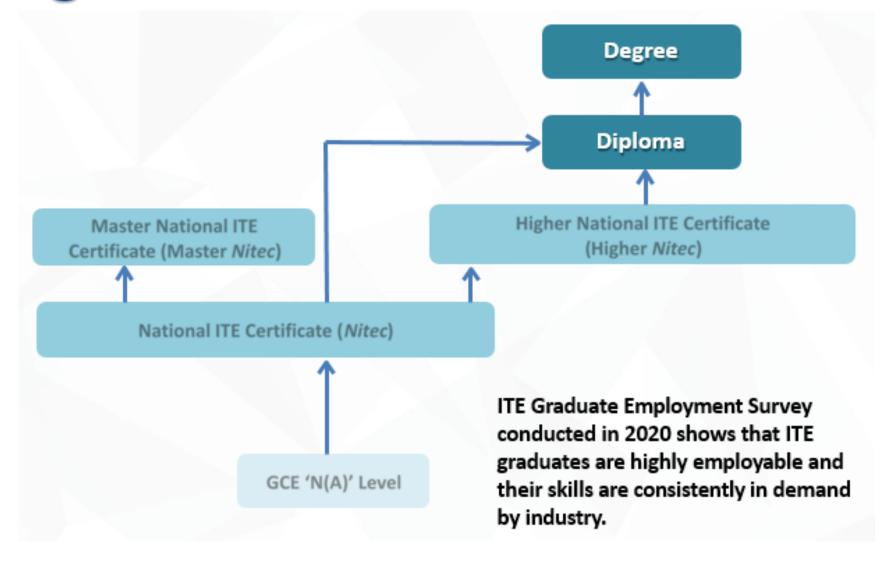

Progression in ITE

- Nitec graduates with good GPA can apply for progression to the 1st or 2nd year of a relevant Higher Nitec course.
- Higher Nitec graduates with good GPA can apply for admission to the 1st/2nd year of a related diploma course at the polytechnics.
